MLS Gives to the Community

The Associates of McKesson Logistics Solutions have opened their hearts to raise over \$13,000 through fundraising events for the holiday season! Associates voted and chose to donate to the following charity organizations this year:

- > Canadian Cancer Society
- > Heart & Stroke Foundation
- > The Hospital for Sick Children (SickKids)
- > Oakville Humane Society
- > Look Good, Feel Better

Above and beyond our Associates' generosity, McKesson Logistics has donated to the CP24/CHUM Christmas Wish, Toy Mountain, Kids Health Links Foundation and Upopolis through internal and external Holiday Greeting cards.

We will be continuing our fundraising efforts beyond the holiday season in 2010 by participating in the Volleyball Corporate Challenge for SickKids, with proceeds going to the James Birrell Research Laboratories to help find a cure for childhood cancer.

Thank you to everyone for your help and generous support this holiday season.
