

Noveko Chooses McKesson Logistics Solutions as provider of Logistics Management Services for its masks and AZURO™ hand sanitizers

MONTREAL, Aug. 6 /CNW Telbec/ - Noveko International Inc. ("the Company") is pleased to announce that its subsidiary Noveko Inc. ("Noveko") has concluded an agreement with McKesson Logistics Solutions ("MLS"), Canada's leading third party logistics provider for the healthcare industry, for its Noveko™ surgical masks and respirators and its AZURO™ hand sanitizers. Under the terms of this agreement, MLS will provide to Noveko full order-to-cash logistics management services, including order fulfillment, customer invoicing, accounts receivables management, customer care, storage, inventory and transportation management. The agreement has an initial term of three years.

"The choice of McKesson Logistics Solutions as a partner is a strategic decision from which we will get many benefits operationally and administratively. Accessing the technology and infrastructure they are offering as a leading supply chain integrator, we are gaining the required flexibility to run our business more efficiently, enabling us to focus on our priorities, being the development and commercialization of our products, all of this in a cost effective way for us. This is especially crucial in light of the growing demand we are witnessing for our Noveko™ surgical masks and respirators and our AZURO™ hand sanitizers," indicated Alain Bolduc, President and Chief Operating Officer of the Company. "McKesson Logistics Solutions' world class expertise, leadership and proven track record were amongst the factors which contributed to their selection as our ideal provider of logistics and warehousing solutions," added Mr. Bolduc.

"We are very enthusiastic to be part of Noveko's efforts to accelerate the global distribution of their innovative antimicrobial products. We look forward to working with them in delivering world-class logistics services to their customers, helping them being successful," stated Cameron Joyce, President of McKesson Logistics Solutions.

McKesson Logistics Solutions is Canada's leading third party logistics (3PL) provider offering integrated supply chain services from order management and transportation to customer invoicing and A/R management focused exclusively on the healthcare manufacturing industry. Additional services include specialized 3PL services such as cold chain logistics, co-packing and literature management. Clients include manufacturers of pharmaceutical products, medical devices, medical surgical products and equipment, OTC, natural health and consumer health products.

Profile

Noveko International Inc. offers innovative solutions in the environmental and medical fields worldwide. Through its subsidiaries, the Company specializes primarily in the following business segments: the development, manufacturing and marketing of derivative products from its patented antimicrobial filtration technology, including air filters, surgical masks and respirators, along with other products with antimicrobial properties such as AZURO™ hand sanitizers - and the development, manufacturing and marketing of medical equipment, primarily portable real-time ultrasound scanners for use in human and veterinary medicine.

Certain statements set forth in this press release constitute forward-looking statements. In some cases, these statements are identified by the use of terms such as "may", "could", "might", "intend", "should", "expect", "project", "plan", "believe", "estimate" or other comparable variants. These statements are based on the information available at the time they are written, on assumptions made by management and on the expectations of management, acting in good faith, regarding future events, including those relating to economic conditions, fluctuations in exchange rates and operating expenses, and the absence of unusual events entailing supplementary expenditures. Although management considers these assumptions and expectations reasonable based on the information available at the time they are written, they could prove inaccurate. Forward-looking statements are also subject, by their very nature, to known and unknown risks and uncertainties such as those related to the industry, acquisitions, labor relations, credit, key officers, supply and product liability. The actual results of Noveko International Inc. could differ materially from those indicated or underlying these forward-looking statements. The reader is therefore recommended not to unduly rely on these forward-looking statements. Forward-looking statements do not reflect the potential impact of special items, any business combination or any other transaction that may be announced or occur subsequent to the date hereof. The Company undertakes no obligation to update or revise the forward-looking statements to account for new events or new circumstances, except where provided for by applicable legislation.
